

# UPPER SANTA ANA WATER RESOURCE ASSOCIATION

## DROUGHT RESPONSE & RECYCLING

Today's drought is changing every aspect of the water industry and requiring a new level of innovation. Join us for a drought update and a discussion of how we are facing this crisis head-on.

**FRIDAY, JUNE 26, 2015 // 9:00AM**

HOSTED BY EAST VALLEY WATER DISTRICT  
31111 GREENSPOT ROAD, HIGHLAND, CA 92346

### DISCUSSION TOPICS

---

Drought Status — Statewide and Local Groundwater  
Drought Response — State and Local Agency  
Legislative and Projects — Reduce Future Drought Impacts  
Local Needs — Funding, Public Support and Continued Action

RSVP: Shanae Smith, West Valley Water District (909) 875-1804 ext. 704
